### SCOPE

The conference is aimed to serve as an international forum for effective exchange of scientific knowledge and experience among researchers active in various theoretical and applied areas of electronic equipment, communication, automatic control, applied informatics, information technology and computer science.

The program will include plenary and regular sessions, special sessions, workshops, discussions' groups and social events.

The conference's official language is English.

### AREAS OF INTEREST:

**Electronic circuits and equipments;  
Automation and control systems;  
Communications;  
Microwaves - techniques and technologies & EMC;  
Bio-medical applications & biomaterials;  
Software and computer applications;  
Data bases;  
Expert systems & Artificial Intelligence  
Educational multimedia applications;  
Electrical engineering applications;  
Energy & Environmental issues;  
Robotics and mechatronics;  
Other topics are welcome.**

### Special/Invited SESSIONS (proposed by contributors)

**Special/Invited sessions** will include 4-5 invited papers. These papers should present a cohesive and comprehensive discussion of a relevant topic, consistent with the conference topics. The chairs could nominate an invited paper (30 minutes will be allocated for this presentation in the session). **Prospective organizers** are invited to submit by email the proposed session title and the extended (two pages) abstracts or the full papers. Deadlines for submission are mentioned below.

### POSTERS and EXHIBITION

Appropriate facilities for posters advertising and products exhibiting will be available. These are specially addressed to the research institutions/centers for their recent and relevant achievements. For more details about this opportunity, please contact the Organizers.

### IMPORTANT DEADLINES

<b>Oct. 10, 2016:</b>	First call for papers
<b>Dec. 1, 2016:</b>	Second call for papers
<b>March 1, 2017</b>	Third call for papers
<b>May 1, 2017</b>	Last call for papers
<b>May 22, 2017</b>	Submission of full papers, together with the completed registration form, using on-line registration;
<b>May 15, 2017:</b>	Last call for papers
<b>June 5, 2017</b>	Notification of acceptance.
<b>June 15, 2017</b>	Camera-ready version of the accepted papers (MS Word file); registration form and fee are due.
<b>June 15, 2017:</b>	Camera-ready version of the invited papers

### INSTRUCTIONS FOR AUTHORS

The length of a paper should be either 4 or 6 pages\*. Please follow carefully the *Instructions for Authors* and use the *IEEE-Template-styles*– <http://ecai.ro/Documente/IEEE-ECai-Template-styles.doc> Each contributor (author or co-author) can submit **maximum two papers**.

**\* extra payment will be 10 €/two extra pages, but no more than 12 pages/paper.**

### REGULAR PAPERS

These are requested in all areas consistent with the conference topics. Authors are asked to submit their original work by uploading it on the conference website the full papers of 4 or 6 pages\* length in electronic form.

Authors are requested to clearly point out - at paper submission and e-mail correspondence, *the name of the topic* to which their paper is submitted to (e.g., Environmental issues).

### PAPERS PUBLISHING

The papers should be written in the IEEE-Template-styles format for publication on the ECAI Proceedings (ISSN 1843 – 2115).

The ECAI Proceedings will be submitted to the IEEE Xplore® database and also to be evaluated and included in the ISI Web of Knowledge database.

The best presented papers will be selected by the technical committee for publication in:

- the Journal of Romanian Academy “Revue Roumaine des Sciences Techniques, serie Electrotechnique and Energetique”, ISSN 0035-4066, Thomson Reuters JCR impact factor 0.524 for 2015/16.

- the International Journal of Electronics, ISSN: 0020-7217, Thomson Reuters JCR impact factor 0.415 for 2016.

The title and content of these papers must be compulsory modified by 60% at least (so, the index of similarity must be less than 30%) and also will be subjected to a new peer-review process.
